TURKS

APPEAL TO BULGARS

FOR PEACE

CALIFORNIA VOTE IS SPLIT

Wilson and Roosevelt Each
to Get Some of State's
Electors

Colonel Leads by 50, With
One Humboldt Precinct
Missing

The official returns from Alameda county, as cast for the first Republican elector, A. J. Wallace, and for the first Democratic elector, Thomas F. Griffin, are as follows:

ROOSEVELT 31,542
WILSON 24,418

According to these figures, Roosevelt has gained 112 votes in this county as compared with the unofficial vote.

The votes cast for the other electors in this county will vary. They have not been totaled.

SAN FRANCISCO, Nov. 14.—With but one precinct missing, and only six counties remaining to be canvassed officially, California gave Roosevelt today a plurality over Wilson of 50.

The counties remaining to be heard from officially are: San Francisco, Los Angeles, Glenn, Humboldt, Tuolumne and Yuba. The Roosevelt plurality of 50 is based upon the unofficial returns from these counties.

In Los Angeles unauthorized information was that Wilson had gained 72 votes on a canvass of the county nearly completed. In San Francisco, although Democratic headquarters announced a Wilson gain of 34, the registrar believed that corresponding clerical errors in the Roosevelt column would leave the net result negative.

In the missing mountain precinct of Humboldt county the registration records show 12 Republican voters, one Socialist, and one reclusive, who refused to state his party affiliation.

In point of fact, no figures can be compiled at present which are worth the labor of footings. The highest Republican or Democratic elector in one county is shown by the returns not necessarily to be the highest in another county; so that a split electoral representation is almost certain, and how California has gone will not be known until the secretary of state certifies to the vote by individual electors and it appears whether Wilson or

Count de Romanones To Organize Cabinet

President Chamber of Deputies
Plans to Retain Canalejas
Officials.

MADRID, Nov. 14.—Count Alvaro de Romanones, president of the chamber of deputies, has been selected by King Alfonso to form a new cabinet in consequence of the assassination of Premier Canalejas. It was announced that Count de Romanones had decided to retain all the Canalejas ministers.

Count Romanones has held portfolios in various cabinets. He was formerly minister of the interior, minister of justice, and minister of agriculture. Senator Moron y Prendergast, former premier and minister of justice, has been appointed president of the chamber of deputies.

DROWNS IN TOCORA RIVER

G. A. Wanger, Well Known
Berkeley Man, Dies in
South America

Carried Down Stream and
Against Rock, When Boat
Overturns

BERKELEY, Nov. 14.—Word was received here this morning of the death of G. A. Wanger by accidental drowning on September 7 at the mouth of the Tocora river, district of Iruata, province of Carabaya, Peru. Wanger had been in South America prospecting for eight months, and with his partner, W. H. Tamen, had made a trip up the Tocora river to the Challuma river, where they spent several days. On the return trip to Madre de Dios, Wanger attempted to launch the boat at the head of Tocora river and in the rapid the boat was overturned.

He righted it again and in endeavoring to swim ashore for a new try, was carried down stream a short distance, the boat crashing into a rock. Wanger's body was not seen again. A search was kept up for several days, but with no success.

FORTUNE IN ALASKA

Wanger had made his home in Berkeley for 11 years and was a member of Durant Lodge of Masons, No. 288, as well as Islam Temple of San Francisco. He made a fortune in Alaska during the first rush to the north and spent many months in that place.

He is survived by a wife, Rose Wanger; two sons, Clarence and Adolph Wanger; two sisters, Mrs. D. Coleman and Mrs. Ella Sinclair; three brothers, Edward and Garfield Anloft and Will Gates, and by his mother.

Wedding Present Causes Bride's Death

Rabid Dog Bites a Cleveland
Woman Who Dies of
Hydrophobia.

CLEVELAND, O., Nov. 14.—Bitten on the arm by a dog three weeks ago, Mrs. Florence Dietz, a bride of three months, died last night of hydrophobia in a hospital here. The dog that bit Mrs. Dietz was a wedding present from her husband.

Bridal Robe to Be Shroud For Pretty Girl From Italy

RICHMOND, Nov. 14.—Lying cold in death at the little cottage which was to have been her bridal home, pretty Angelina Rossi, who arrived in this city from Naples, Italy, Tuesday night, to wed the man of her heart, will be buried instead of married and her wedding gown will be her shroud. When the train bearing Miss Rossi from the Oakland pier arrived in Richmond Tuesday night, Chris Pace, an industrious young potter and painter of this place, with a number of his friends, were there to meet his bride-to-be, whom he had not seen since leaving his native country two years ago.

The happiness of their reunion was short lived, however, for two hours later, without any apparent cause, the young woman was taken suddenly ill and died at the little home which was to have been her bridal home after the wedding ceremony yesterday.

Heartbroken from the shock, Pace summoned physicians, but in vain. The cause of the girl's death is unknown. Deputy Coroner E. B. Smallwood, who has charge of the funeral arrangements, will hold a post-mortem examination to determine the cause.

Parents Drown Baby Boy Because They Wanted Girl

CINCINNATI, Nov. 14.—A young child in a shawl and tossed him into the Ohio river. When they were arrested, the husband confessed, blaming his wife for wanting a girl. Mr. and Mrs. Fred Kopp wrapped

M'MANIGAL ACCUSES RYAN

Declares Union Head Advised
Dynamiters to Disguise
Themselves

Testimony Involves President
of Iron-Workers in Alleged
Conspiracy

INDIANAPOLIS, Nov. 14.—Direct charges that Frank M. Ryan, president of the International Association of Bridge and Structural Iron Workers, had full knowledge of explosions and that he even advised the dynamiters to disguise themselves, were made by Orrie E. McManigal in his confession at the "dynamite conspiracy" trial today. "I had blown up the Kansas City job August 25, 1910, and at Peoria, on the way back," McManigal testified. "Edward Smythe, business agent of the Iron Workers' Union, showed me some non-union jobs he wanted me to blow up. He said J. J. McNamara had agreed I should do it. I had heard McNamara had had bad luck at Kansas City, where I lost four quarters of nitro-glycerine and three alarm clocks. Smythe said a dynamiter, known as the 'New York Kid,' had been around Peoria and he (Smythe) was suspicious of him, thinking he might be a spy of the National Erectors' Association."

SAID HE WAS FEARFUL

"When I returned to the iron workers' headquarters in Indianapolis McNamara was not here. I saw President Ryan. I told Ryan about the Kansas City explosion and showed him a newspaper account of it. Ryan said: 'I want you fellows to stop coming around this office so openly, and you don't change your appearance enough. When any one gets a good look at you he will be sure to know you the next time.'"

"I told him he was not reckless and that no one knew what we were doing. Ryan said he did not know the 'New York Kid.'"

McManigal spoke of the time J. J. McNamara was in Kansas City and Omaha. While in Kansas City on this trip the government alleges McNamara had a talk with W. Bert Brown, a local business agent, and a citizen about J. B. McNamara's being on the Pacific coast preparatory to "cleaning up" Los Angeles.

"Later, when J. J. returned to Indianapolis," said McManigal, "he arranged for greater secrecy in my reporting to headquarters. At night he was to put a light in the window, signal that he was waiting for me."

ADRIANOPLE REPORTED TO HAVE FALLEN BEFORE FERDINAND'S VICTORIOUS TROOPS

BURIAL OF SOME OF THE MONTENEGRIN VICTIMS OF WAR AGAINST TURKEY. THEY ARE TAKEN BY BOAT TO THEIR GRAVES.

EXPRESS CLERK REPORTS BIG ROBBERY

Wells - Fargo Employee
Placed Under Arrest
Following Theft

LAKE CHARLES, La., Nov. 14.—The Wells-Fargo Express Company's office here was robbed of a package of currency that is said to have contained \$25,000, early today. Thornton Chevin, night express clerk, who reported the robbery, has been arrested. According to Chevin's statement, he left the office in the Southern Pacific depot to meet the eastbound midnight train. He locked the safe and the front office door. When he returned 10 minutes later he said he discovered that a door on the west side of the building, against which a number of express packages had been piled, was ajar. He found the safe still locked, but a package of money which he had placed therein was missing.

Spain's King Sends Message to Taft

Alfonzo Says He Appreciates
President's Message of
Condolence.

WASHINGTON, Nov. 14.—The White House made public today the following message from King Alfonso of Spain to President Taft: "Deeply touched for your kind message of condolence at the great loss we have sustained by the horrible assassination of my prime minister, I beg you to accept yourself and to convey to the government and American people the expression of my most sincere gratitude for your sympathy in this sad circumstance."

Toll Proclamation Is Given Wide Circulation

Great Maritime Interests of the
World to Have Copies
of Rates.

WASHINGTON, Nov. 14.—Out of consideration for the great maritime interests of the world which are expected to furnish the business for the Panama canal, the state department today dispatched copies of President Taft's proclamation fixing the toll for the use of the canal to all United States embassies and legations abroad, with instructions to give it wide publicity.

PRINCE HARALD OF DENMARK, WHO MAY BE MADE THE GOV. ERNOR OF MACEDONIA.

Drawn From Brink of Grave by Pulmotor

WASHINGTON, Nov. 14.—Although his pulse virtually had stopped, Werner H. Hoffman was drawn back from the brink of the grave by use of the pulmotor and today physicians in a local hospital believe he will live. Hoffman, a former member of the marine corps, and with an enviable service record in China and the Philippines, has been ill for some time because of fever contracted in the Orient. He is said to have taken 15 grains of a virulent poison. When rushed in an automobile to the hospital he apparently was dead. Artificial respiration by utilization of the pulmotor was resorted to with apparent success. Physicians regard the case as remarkable.

Showers Predicted for Next Twenty-Four Hours

SAN FRANCISCO, Nov. 14.—All local weather forecasts indicate that the heavy rain which has been falling in the northern half of California will remain on the southern rim of the storm and perhaps will receive a fairly good precipitation from it. The indications at noon were for showers and cloudy weather for the next 24 hours.

WASHINGTON, Nov. 14.—The official count of Hamilton county shows that Congressman Nicholas Longworth was defeated for Congress in the First Ohio district by Stanley Bowditch, Democrat, by ninety-seven votes.

CHOLERA IN CAPITAL ON INCREASE

14,000 Wounded Soldiers of
Sultan Return to City of
Constantinople

Bulgarians Accused of Bar-
barism During Conflict With
Long-Hated Foes

SOFFIA, Nov. 14.—Turkey's appeal for mediation to the powers was presented to the Bulgarian premier this afternoon by the ministers of the great powers. The premier at once took the note to headquarters and there will be a discussion on the matter with the cabinets of the allied Balkan nations. The text of the note follows: "The Ottoman government has approached the great powers of Europe to ask their mediation. We are charged to inquire of your excellency if Bulgaria is disposed to accept this mediation and if so to what conditions her acceptance will be subject."

APPEAL IS MADE

LONDON, Nov. 14.—With the Turkish armies beaten in every battle during the month's war and now behind the fortifications at Tchatalja, defending the capital of the empire, the Ottoman government has appealed to Bulgaria for an armistice pending the opening of negotiations for peace, according to an official dispatch received from Constantinople today. What terms, if any, Turkey has proposed have not been disclosed. They must, however, be such as to be acceptable to Bulgaria. With the last defenses of Constantinople almost in her hands, Bulgaria is unlikely to consent to any armistice except on conditions giving her full military advantage.

POWERS ARE UNITED

Turkey will have the support of the united powers in her request for a cessation of hostilities. The representatives of the various nations have now received full instructions regarding the proposed mediation, and they held a meeting at noon today to discuss the method to be adopted for making the communication of the Turkish request to the Bulgarian cabinet.

The armistice asked for by Turkey will affect only the fighting at the Tchatalja forts, while the stop the European powers have taken has the object of putting an end to the war in all parts of the Balkan peninsula. Until the powers succeed in influencing the progress of mediation, and they held a meeting at noon today to discuss the method to be adopted for making the communication of the Turkish request to the Bulgarian cabinet.

PROBLEMS ALL SERIOUS

While, therefore, Turkey's recognition of the realities has smoothed the path of diplomacy and may result in Constantinople, the Dardanelles and perhaps some other parts of her European possessions being left to her and prevent a scramble for them, the powers, there still are some serious questions to be dealt with. Among these are, notably, those of the position of Albania and of the Serbian ambition to have a port on the Adriatic sea. The Albanians are taking steps to make their country independent and, besides publishing a proclamation, have issued a protest against any attempt to interfere with the freedom and integrity of the country. The charge is made that the Serbians have recently murdered all the Albanian prisoners of war to the Adriatic, which, according to a report from Alessio today, the Serbians have not yet reached there. No official change either in the Austro-Italian or the Serbian attitude. A dispatch from Alessio confirms the previous reports that the Montenegrins have not yet reached there.

PAPE'S! BREAKS A COLD AT ONCE

First Dose of Pape's Cold Compound Ends All Grippe Sore.

You can surely end Grippe and break up the most severe cold either in head, chest, back, stomach or limbs, by taking a dose of Pape's Cold Compound every two hours until three consecutive doses are taken. It promptly relieves the most miserable headache, dullness of head and nose stuffed up, feverishness, sneezing, sore throat, mucous catarrhal discharges, running of the nose, soreness, stiffness and rheumatic twinges. Take this wonderful Compound as directed, without interference with your usual duties and with the knowledge that there is nothing else in the world which will cure your cold or break up the most severe cold or end Grippe more promptly. It relieves any other ailments or bad after-effects as a 25-cent package of Pape's Cold Compound, which any druggist can supply—accept no substitute—contains no quinine—belongs in every home. Tastes nice.

SALARY LIMIT IS NOT MADE PUBLIC

Action of National Association of Baseball Clubs Mystery.

MILWAUKEE, Nov. 14.—With the problem of maximum salaries disposed of, baseball men, representing minor leagues making up the national association of professional baseball clubs, expected today to settle several matters relating to constitutional affairs governing the organization. President E. J. of the Pacific Coast league, one of the organizations embraced in class A.A., said today that the maximum salary limit agreed upon by class A.A. members was later withdrawn and probably never will be read before the convention or made public. The league is attempting to land the next annual meeting. Discussion arose among the class B leagues today over the determination at the national association meeting yesterday that the National League may maintain a salary limit of \$100,000 more than the rest of the leagues in the class. Managers of other class B organizations maintain that this is one of their number a class A rating except for waivers and release rules and that this will exhaust their opportunity for players.

SUIT TO RECOVER SUM OF \$2,512,954

NEW YORK, Nov. 14.—The government brought suit here this afternoon against James B. Haggin of this city to recover \$2,512,954, representing the value of cord wood and other timber alleged to have been cut wrongfully from the lands of the National Forest in Montana between August, 1884, and January, 1896.

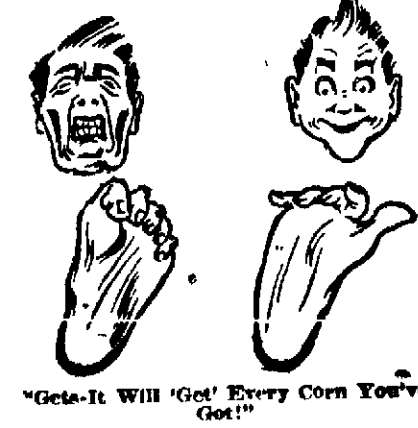

DECLARES FARLEY IS NO MORE THAN MYTH

"Farley the strikebreaker is a myth," declared John Perrin, witness for the San Francisco-Oakland Terminal Railway, this morning in discussing the personnel of witnesses in the case of the railroad company which is being sued by Henry Dalton & Sons for the alleged "grabbing" of land on the western waterfront. According to Frank Dalton, "Farley," who testified in the case, is the original strikebreaker according to Farin there was a man named "Farley the Strikebreaker." As any rate George Provencher, one of the men employed by the railroad company last July to erect a fence around the disputed strip of land and protect it afterwards, admitted that he has come to California after the fire of 1906 to work on the San Francisco street railways as a strikebreaker.

He said that since that time he has been employed by the Southern Pacific and Pullman as well as the Key Route company. On the occasion last July he said that he had been detailed to guard a certain barn on the strip of land. J. F. Farley, the witness today is said to have formerly been chief of police of Denver.

Tried GETS-IT, THE New Corn Cure, Yet?

See How Easy It Drives Away Corns.

"Gets-It Will Get Every Corn You've Got!"

At last, a real down-what-it-says corn cure. Nothing like it has ever before been known. Every man and woman who has corns, callouses, warts or bunions, ought to try "Gets-It" as once and for all. It works quickly. It works. Quit shaving your corns with a razor. You may draw blood and cause blood poisoning. "GETS-IT" is remarkable because it never irritates or turns the true flesh into a sore. It's as safe as water. Corns pain away. The corn or callous shrivel up, comes out. Blasted relief! "GETS-IT" is sold at druggists at 25 cents a bottle, or sent on receipt of price to E. Lawrence & Co., Chicago. Sold in Oakland by Owl Drug Co.

NEW SYNAGOGUE TO BE ERECTED

First Hebrew Congregation Plans Structure to Cost \$75,000.

The erection of a new synagogue that will be a credit to the city was decided upon at a meeting of the First Hebrew congregation held last night in the vestry of the Twelfth and Castro street synagogue. The temple of worship will be located at Twenty-fourth and Webster streets at a cost of \$75,000. A social center is planned in which the synagogue will be the center building, and where the Jewish societies of the city will meet. The lot owned by the congregation at Twenty-sixth street and Telegraph avenue will be disposed of and the work on the new synagogue commenced within the next two months. An election of officers was also held and, with the exception of Max Marcus, who has tendered his resignation after twenty years' service, all of the old officers were re-elected. A vote of thanks was given the retiring director.

The adoption of the new ritual, which has been prepared by Rabbi M. Friedlander with the assistance of President A. Jonas, and the recognition of the worth of the same, was one of the features of the evening, and the rabbi received many congratulations.

EMERYVILLE LODGE LEADS IN CONTEST

Has Advantages in Race for New Foresters of America Members.

The colossal initiation committee of the Foresters of America having in charge the class initiation to be held in Maple Hall on December 10 next, met last evening in the offices of Grand Chief Ranger Judge James G. Quinn, and with other routine business received reports from the deputy grand chief and the other officers. The reports indicate that Court Emeryville is at present in the lead with Court Pride of Alameda and Court Merritt crowding the Emeryvillians hard for first place. The executive committee, through its chairman, J. J. Mulgrew, reported that a handsome silver-mounted sword would be presented to the court winning the first cash prize.

STEALS OWN BABY; GIVES IT TO POLICE

NEW YORK, Nov. 13.—A man walked into the Adams-street court in Brooklyn yesterday and announced he was Michael Kelly, a properly married man, residing at 289 Pearl street. "But I haven't any use for it," he said, shoving a baby boy into the arms of Constable Clark Frederick Taylor. "You can have it." Kelly waved an airy farewell at the door. "Somebody left it at my house," he said, "and I don't want it."

Taylor turned the baby over to the mother of the Adams-street precinct, who went around to the back street. She found Michael Kelly, the baby's mother, sobbing in the arms of her infant son. "He was in his crib," she sobbed. "With my own eyes I see him. I turn my back and, wileh, he is gone. Ah! him not able to walk yet."

MILLIONS INVESTED IN SACRAMENTO LAND

SACRAMENTO, Nov. 14.—Cash payments were made at a bank in this city yesterday to close up a land deal that spells much for the development of Sacramento county. Chicago capitalists, acting under the advice of W. E. Gerber of this city, president of the bank, have closed off the entire unclaimed portion of the lower end of the Sutter basin, over 60,000 acres, and while they announce that they will not decide until February 1, pending careful soil and engineering investigations, whether or not they will reclaim it, it is highly probable that the millions invested in the land will be allowed to remain idle.

A. G. TAFT TO ATTEND NATIONAL COMMISSION

For the purpose of attending the meeting of the national commission for the standardization of packages used by the United States government for the shipment of goods to the army in the Philippines, President Alonzo G. Taft of the Merchants' Exchange will leave Oakland Friday for Washington, D. C. The containers which supplies have been sent to soldiers in Manila and the Orient have cost the government considerable money, and it is desired to secure a package which will not cost more than its contents.

THEATER ORDINANCE DISCUSSION POSTPONED

The ordinance providing for the censorship and regulation of theaters, motion picture houses and other places of amusement, introduced at the instance of a number of church and civic organizations and the public welfare and censorship commission, was to have been considered before today's meeting but on account of the fact that the theater men were not prepared to state their side of the question, the ordinance was postponed.

END OF WAR IN SIGHT; FOR PEACE

The Contracts Let for Military Supplies Ordered Cancelled by Turkey.

(Continued From Page 1)

negrin army advancing on that town was defeated. The Montenegrins were unable to take the town owing to the Mirdit tribesmen joining forces with the Turks. The Montenegrins were driven back as far as the Rymna river.

NICHOLAS IS CURT.
RIEKA, Montenegro, Nov. 14.—King Nicholas of Montenegro gave a curt and pointed reply to the Austro-Hungarian minister when he made representations with reference to Montenegro's action against Austria and the port of San Giovanni di Medua. His majesty, admitting that he had no authority from his allies to give a definite answer on the subject, continued:

"For my part I at once emphatically reject even the suggestion that the two Serb kingdoms will not be allowed to occupy Giovanni di Medua and Alessio, all the more so as at present neither Turkey nor autonomous Albania exists. I consequently consider the communication of the Austro-Hungarian minister null and non-existent."

King Nicholas refused to receive a written note repeating the communication. To the Italian minister, who made identical representations to those of the Austro-Hungarian colleague, King Nicholas said:

"The Italian government would be acting contrary to its usual peripatetic and self-interest for its most valuable national interests if it persisted in demanding that Montenegro should eliminate from its military operations the port of San Giovanni di Medua and the city of Alessio."

\$5000 TO AI DWOUNCED.
WASHINGTON, Nov. 14.—A second \$5000 for the Balkan war wounded and sick, of which \$1000 will go to the Turkish Red Crescent and a like amount for the Red Cross societies in each of the other countries, Bulgaria, Serbia, Greece and Rumania, was called by the state department yesterday for the American Red Cross.

FOURTY-FOUR SOLDIERS DROWN.
BUCHAREST, Roumania, Nov. 14.—Forty-four Roumanian soldiers were drowned yesterday while crossing Calarasi lake on the way from one military station to another. Their boat capsized.

HOSTILITIES AT AND END.

CONSTANTINOPLE, Nov. 14.—At 4 o'clock yesterday afternoon the director of transportation informed those making inquiries at the war office that the cessation of hostilities had already been arranged. Simultaneously another official summoned the chief contractors for military supplies and informed them that hostilities would cease this evening and that the existing supply contracts would be canceled and no further military supplies sent to the front.

A cholera camp was opened at Tuzel today, 20 new cases being sent there.

END IS IN SIGHT.

USKUP, Nov. 14.—War in Macedonia practically has been concluded. The combined Serbian and Greek armies are closing in on Monastir, which is being shelled by the Turkish army. The Turkish army, which is demoralized by repeated defeats and it is doubtful if they can offer much resistance.

FAMINE THREATENS.

HAEDEMBURG, Nov. 14.—Europe is going to see the grip of death by starvation this winter. A famine on a scale rarely seen even in India or China has claimed the population of all Eastern Turkey in Europe.

ACCUSED OF BARBARISM.

BERLIN, Nov. 14.—Insinuations that the Bulgarians have been guilty of atrocities against the Turks and that the present war is more of a butchery than orderly warfare are made by the correspondent of the Vossische Zeitung.

Telegraphing from Semlin, Hungary, on the opposite side of the river from Belgrade, the correspondent declares he has been reliably informed that the Bulgarian troops mutilated the bodies of Turkish soldiers killed in the battle of Kilk-Kleseneh and carried Turk's heads about on the points of their bayonets. He continues:

"Barbarism is fighting barbarism and century-old oppression."

FORFEITS PAID, IS REPORT.

BELGRADE, Serbia, Nov. 14.—A report that the Turkish fort at Adrianople has fallen before the attack of the Bulgarian and Serbian allies is current here, but without any confirmation in official circles.

DISTRESS IN CAPITAL.

NEW YORK, Nov. 14.—Casar E. Straus, former ambassador to Turkey, received the following cablegram today from Ambassador Rockhill at Constantinople: "There are now over 14,000 sick and wounded soldiers here. Cholera seems to be increasing fast. Much sickness and destitution among the many thousands of refugees."

AFFINITY INTRODUCED AS WIFE, IS CHARGE

SAN FRANCISCO, Nov. 14.—In an action for divorce begun today against George W. Morgan, Mrs. Elma Morgan declared that her husband acquired an affinity with another woman in a suitably worded answer to use his name. The Morgans were married June 8, 1911, and went to Red Bluff to live. There, according to the wife, Morgan became enamored with a certain Violet, whom he introduced as Mrs. George Morgan. She charged that he also accused her of going automobile with other men. She wants to resume her maiden name, Elma Baldwin.

Washington and Thirteenth

BABY HOSPITAL FOR COUNTY IS PLANNED

Society and Club Men Enlist in Charitable Cause

A recently organized charity, which will find a growing field for its worthy efforts, is the Baby Hospital Association of Alameda county, which announces that its aim is the "care of sick babies without regard to creed, nationality or race."

It is planned to raise money and erect on a site to be selected in Oakland a hospital to cost \$15,000. For the equipment of the institution, it will be necessary to expend \$2000 for the equipment of a contagious cottage, \$1000 for one year's running expenses based on an estimate of twenty ward patients, \$5000 for an incurable outdoor ward, \$5000.

The Baby Hospital association's project is distinct from that of the proposed children's hospital. It is the aim of those working in the interest of babies to care for children of five years and under in age.

Club and society women of the east bay cities have recently been giving card parties to aid in raising funds for the proposed baby hospital, and Thursday evening, November 21, the dramatic section of the Claremont club will present the farce comedy, "What Happened to Jones" at Plymouth Center for the benefit of the institution.

WOMEN TO BE MANAGERS.

A booklet issued by the association sets forth that the property of the institution, including all its funds, will be held and managed by a board of directors, composed of nine men, who will also act generally in an advisory capacity. The active control and management of the hospital will be in the hands of a board of managers, composed of thirty women.

The statement also contains the following:

"There is great need in Alameda county for a hospital where children of five years of age and under can be placed and cared for without cost; or for a charge based upon the financial ability of the parent to meet it."

"Throughout the country, the experience

of organizations interested in the welfare of children proves that only those institutions devoted exclusively to the study and care of little babies can do really effective work for them."

WIDE SCOPE OF SERVICE.

The services that it is proposed to furnish is as follows:

The hospital will be open to any child five years of age and under, without regard to race, nationality or race. It will be open to all physicians of regular standing who desire its services; only trained nurses, experienced in the care of little children, will be in attendance. Clearly patients will be cared for by the hospital staff, or arrangements may be made by physicians to continue their care of their own charity patients, children ill with contagious diseases will be admitted and cared for, to publish a social service department with a baby clinic under the management of a children's specialist; a milk laboratory, to insure the scientific feeding of out-patients; a visiting nurse, who will follow up on patients leaving the hospital; instruction for mothers in the preparation of infant food and the general care of small children.

SPACIOUS GROUNDS.

It is intended that the hospital shall have large grounds, near the car lines, easily accessible physicians of Oakland, Berkeley and Alameda; sunny wards and private rooms; separate building for contagious diseases; outdoor wards and sleeping porches; rooms where mothers may remain over night when desirable.

It is announced that funds are needed for the purchase of a lot of about 200x300 feet, a building and equipment. It is hoped to secure these funds from the following sources: Gifts of benefactors, \$500 or more; life memberships, \$100 or more, sustaining memberships, \$10 or more yearly; contributing memberships, under \$10 yearly; endowed beds, \$5000; maintained beds, yearly, \$2000.

Any one contributing \$5 annually is entitled to vote at the meetings of the association. Checks payable to The Baby Hospital, mail to Mrs. Duncan McDuffie, 400 The Tenth Street, Berkeley.

The hospital will not accept more than \$1 a day per patient for care in the wards. Charges will be graduated downward and based upon the ability of parents to pay them.

For the benefit of physicians and the public there will be a few private rooms at a moderate charge of \$2.50 a day. The board of private nurses will be \$1 a day.

BOARD OF MANAGERS.

The board of managers follows: Mrs. Allan H. Babcock, president; Mrs. Mahel Wood, first vice-president; Mrs. Henry C. Anderson, second vice-president; Mrs. Charles R. Lloyd, third vice-president; Mrs. Duncan McDuffie, treasurer; Mrs. Myrtle Smith, assistant treasurer; Mrs. Edward Kingsbury, Miss Lida Garber, corresponding secretary; Mrs. Ellen Kline, assistant corresponding secretary. To serve for one year: Mrs. Clifton Macdon, Mrs. Duncan McDuffie, Mrs. Frank K. Mott, Mrs. E. L. Parsons, Mrs. Mahel Wood, Mrs. W. B. Seabury, Mrs. L. W. Stearns, Mrs. H. C. Capwell, Mrs. Ellen Kline. To serve for two years: Mrs. George C. Eldridge, Mrs. Giles Easton, Mrs. W. J. Hotchkiss, Mrs. Myrtle Smith, Mrs. Lillian Knowlton, Mrs. G. E. BABY HOSPITAL FOR COUNTY IS PLANNED

Society and Club Men Enlist in Charitable Cause

A recently organized charity, which will find a growing field for its worthy efforts, is the Baby Hospital Association of Alameda county, which announces that its aim is the "care of sick babies without regard to creed, nationality or race."

It is planned to raise money and erect on a site to be selected in Oakland a hospital to cost \$15,000. For the equipment of the institution, it will be necessary to expend \$2000 for the equipment of a contagious cottage, \$1000 for one year's running expenses based on an estimate of twenty ward patients, \$5000 for an incurable outdoor ward, \$5000.

The Baby Hospital association's project is distinct from that of the proposed children's hospital. It is the aim of those working in the interest of babies to care for children of five years and under in age.

Club and society women of the east bay cities have recently been giving card parties to aid in raising funds for the proposed baby hospital, and Thursday evening, November 21, the dramatic section of the Claremont club will present the farce comedy, "What Happened to Jones" at Plymouth Center for the benefit of the institution.

WOMEN TO BE MANAGERS.

A booklet issued by the association sets forth that the property of the institution, including all its funds, will be held and managed by a board of directors, composed of nine men, who will also act generally in an advisory capacity. The active control and management of the hospital will be in the hands of a board of managers, composed of thirty women.

The statement also contains the following:

"There is great need in Alameda county for a hospital where children of five years of age and under can be placed and cared for without cost; or for a charge based upon the financial ability of the parent to meet it."

"Throughout the country, the experience

of organizations interested in the welfare of children proves that only those institutions devoted exclusively to the study and care of little babies can do really effective work for them."

WIDE SCOPE OF SERVICE.

The services that it is proposed to furnish is as follows:

The hospital will be open to any child five years of age and under, without regard to race, nationality or race. It will be open to all physicians of regular standing who desire its services; only trained nurses, experienced in the care of little children, will be in attendance. Clearly patients will be cared for by the hospital staff, or arrangements may be made by physicians to continue their care of their own charity patients, children ill with contagious diseases will be admitted and cared for, to publish a social service department with a baby clinic under the management of a children's specialist; a milk laboratory, to insure the scientific feeding of out-patients; a visiting nurse, who will follow up on patients leaving the hospital; instruction for mothers in the preparation of infant food and the general care of small children.

SPACIOUS GROUNDS.

It is intended that the hospital shall have large grounds, near the car lines, easily accessible physicians of Oakland, Berkeley and Alameda; sunny wards and private rooms; separate building for contagious diseases; outdoor wards and sleeping porches; rooms where mothers may remain over night when desirable.

It is announced that funds are needed for the purchase of a lot of about 200x300 feet, a building and equipment. It is hoped to secure these funds from the following sources: Gifts of benefactors, \$500 or more; life memberships, \$100 or more, sustaining memberships, \$10 or more yearly; contributing memberships, under \$10 yearly; endowed beds, \$5000; maintained beds, yearly, \$2000.

Any one contributing \$5 annually is entitled to vote at the meetings of the association. Checks payable to The Baby Hospital, mail to Mrs. Duncan McDuffie, 400 The Tenth Street, Berkeley.

The hospital will not accept more than \$1 a day per patient for care in the wards. Charges will be graduated downward and based upon the ability of parents to pay them.

For the benefit of physicians and the public there will be a few private rooms at a moderate charge of \$2.50 a day. The board of private nurses will be \$1 a day.

BOARD OF MANAGERS.

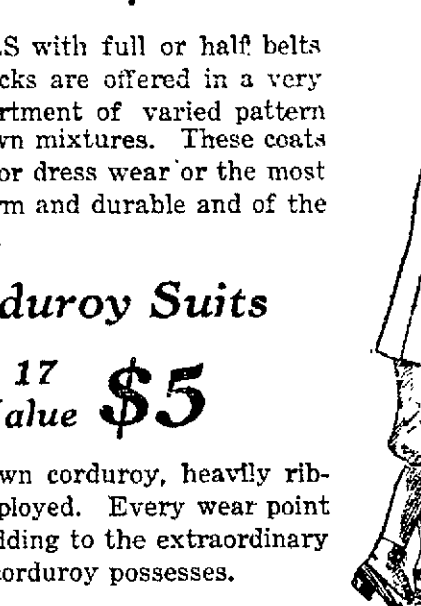

The board of managers follows: Mrs. Allan H. Babcock, president; Mrs. Mahel Wood, first vice-president; Mrs. Henry C. Anderson, second vice-president; Mrs. Charles R. Lloyd, third vice-president; Mrs. Duncan McDuffie, treasurer; Mrs. Myrtle Smith, assistant treasurer; Mrs. Edward Kingsbury, Miss Lida Garber, corresponding secretary; Mrs. Ellen Kline, assistant corresponding secretary. To serve for one year: Mrs. Clifton Macdon, Mrs. Duncan McDuffie, Mrs. Frank K. Mott, Mrs. E. L. Parsons, Mrs. Mahel Wood, Mrs. W. B. Seabury, Mrs. L. W. Stearns, Mrs. H. C. Capwell, Mrs. Ellen Kline. To serve for two years: Mrs. George C. Eldridge, Mrs. Giles Easton, Mrs. W. J. Hotchkiss, Mrs. Myrtle Smith, Mrs. Lillian Knowlton, Mrs. G. E. Pratt, Mrs. Grace Fisher, Mrs. Charles R. Lloyd, Mrs. M. A. Anderson, Mrs. Hugh M. Walker. To serve for three years: Mrs. Lida Garber, Mrs. A. Moore Jr., Mrs. James A. Freeman, Mrs. Bertha Wright, Mrs. Allen H. Babcock, Mrs. Edward Kingsbury, Mrs. E. V. Hathaway, Mrs. Wickham.

YOUNG LADIES WRITE
DR. HARTMAN

In my answers to correspondents, published recently, one was to a young lady who wrote me concerning pimples and blackheads that were spoiling her complexion. I undertook to give this young lady some advice, commencing her name of course.

DR. S. B. HARTMAN. The publication of my advice on this subject has brought me a shower of letters from young ladies. I had no idea there were so many young ladies afflicted in this way. In spite of all the advertised remedies for pimples, and lauded preparations to produce clear skin and splendid complexion, in spite of all this it seems there are a large number of young ladies who are haggardly anxious about their complexions. I thought perhaps a short talk from me on this subject might be a good thing.

Of course I will be suspected of wishing only to sell my medicine, and to recommend Peruna for such cases. In spite of this, however, I am going to recommend Peruna for pimples and blackheads. Let me tell you why.

The bowels when they are healthy contain no poisonous material. Long before the poisons can generate the contents of the bowels are discharged, provided they are in ordinary activity. But constipation will dam up the contents of the bowels and retain them so long that they decompose and furnish poisonous gas and fluids. These poisons are absorbed by the blood vessels in the bowels and taken into the system. The result is pimples and blackheads and other disfigurements of the complexion. Young ladies especially are subject to constipation. I think I should not

be wide of the truth if I should say that one-half of the young ladies of this country suffer from constipation. Now I wish to say that Peruna will regulate the bowels. It will stimulate the excretory organs. Peruna will clear the complexion simply because it takes away the offending poisonous materials which cause pimples, blotches, spots on the skin, roughness of the skin, warts, moles and the like. I make no apology and have no hesitation in saying to the public that Peruna taken according to directions on the bottle will do more towards beautifying the complexions of our young ladies than all the applications that can be made to the skin. All the facial massage and treatments that have ever been invented never will do these cases so much good as Peruna, except some other medicine which is made on similar lines.

I do not claim that Peruna is the only medicine that will prevent absorption of poisons from the bowels. But I do claim that it is one of the medicines that will do this—a reliable one—an old and trusted one—one that has stood the test of years—one that is lauded by thousands of people who have tried it.

So then, young ladies, if you want clear skin, free from pimples, take Peruna. This is the advice of an old, experienced physician who admires young ladies in a fatherly way, who is acquainted with scores of them. What I am telling you in this article I have told my own family, my own children, and grandchildren, many times, and the numerous acquaintances with whom I daily associate.

Peruna, Manlin and Lacupia manufactured by the Foran Company, Columbus, Ohio. Sold at all drug stores.

SPECIAL NOTICE.—Many persons inquire for The Old-time Peruna. They want the Peruna that their Fathers and Mothers used to take. The old Peruna is now called Katarno. If your druggist or dealer does not keep it for sale write the Katarno Company, Columbus, Ohio, and they will tell you all about it.

TO GIVE LECTURE
AT EBELL CLUB

David Goldstein to Speak on the Catholic View of Socialism.

The Catholic organizations of Alameda county are arranging for a big gathering at the Ebell club house, Wednesday evening, November 27, to listen to David Goldstein, lecturer. Goldstein will discuss the Catholic viewpoint as it concerns Socialism.

The lecture will be under the auspices of the Knights of Columbus of Oakland and Berkeley, of the Young Men's Institute, the St. Francis Benevolent society of Fruitvale and many other Catholic organizations. It is planned by these organizations to arouse a great amount of interest in the lecture and to fill the Ebell club house to overflowing.

In addition to speaking in Oakland, Goldstein will be heard in Sacramento, San Jose, San Francisco and Los Angeles.

WEISS ESTATE IS
VALUED AT \$2500

Mrs. Mary Weiss, wife of Edward Weiss, who was killed while attempting to hold up a Grand avenue street car on October 15, last, was granted letters of administration in the estate of her husband by Superior Judge Ogden today.

According to the petition filed by Mrs. Weiss, the estate consists of property valued at \$2500 upon which there is a mortgage for \$1762 with accruing taxes; about \$1250 worth of carpenter's tools, etc. This house is owned by Mrs. Weiss, the widow and three children, Jeanette, Harold and Walter Weiss, who live with their mother in the Berkeley home.

GIVE EVIDENCE IN
BEHALF OF ATTORNEY

SAN FRANCISCO, Nov. 14.—Police Judge Welles' court resembled a meeting of the Bar Association this morning when a large number of prominent judges and lawyers assembled to testify as to the good character of Attorney Willis J. Herrin, charged with extortion. Among those who gave their evidence in behalf of the accused were:

Superior Judges Canabasis, Trout, Murkes, Graham, Coffey, Attorney General H. H. Webb and Attorney Sam Shordike, A. P. Black, A. F. Treat, W. H. Jordan, T. J. James, C. J. Hagerty and C. H. Rixford.

Other character witnesses were Colonel George H. Pippy and B. P. Oliver, a local realty broker.

Attorney Bert Schiesinger appeared for Herrin, who is charged by Maxx Arnovich of the Berrywood Piano Factory company of writing him a letter on October 4, in which he declared that unless Arnovich paid to Pearl Evans \$800 he had borrowed from her Herrin would file a supplementary complaint accusing him of white slavery.

CONFESSED POISONER
ON HER WAY EAST

LOS ANGELES, Nov. 14.—Mrs. Frances Hastings Lamb, a young woman who told the police she had poisoned two women in Missouri, one at Overland and another at Sedalia, started for the latter city today in company with Sheriff Henderson of Pettie county.

ADDRESSED TO WOMEN

**IS YOURS A
Case of "Nerves?"**

Hot flashes, dizziness, fainting spells, headache, bearing-down pains, nervousness—all are symptoms of irregularity and female disturbances and are not harmful.

Favorite Prescription

is that of a famous physician, successfully practiced in the treatment of women's peculiar ailments. For forty years it has been recommended to suffering women. Thousands of women can bear witness to its beneficial qualities. Purchase to find all that there is in it to cure you.

**YOUR DRUGGIST CAN TELL YOU
IN A MINUTE, OR WRITE FOR
FREE LITERATURE.**

I AM NOW CURED

of my nervousness and all the other ailments which were troubling me. I am now a healthy, happy woman. I can do all the work I wish to do. I can enjoy life. I can be a mother. I can be a wife. I can be a friend. I can be a neighbor. I can be a citizen. I can be a woman.

LAYS CRIME AT
WEBBER'S DOOR

"Gyp the Blood" Accuses the State's Informer of Slaying Rosenthal.

NEW YORK, Nov. 14.—Harry Horowitz, otherwise known as "Gyp the Blood," the dandy of the four gunmen on trial charged with murdering Herman Rosenthal at Charles Becker's bidding, took the witness stand today and swore that the shots fired from the Hotel Metropole were fired by Harry Vallon, "Bridge" Webber, informers for the state, and a third man, mysteriously unnamed.

He denied every incriminating statement made by "Red Jack" Rose, and said he and his companions did not even hear of the murder until several hours after it occurred. They were within a stone's throw of the scene, whether they had gone at a stranger's invitation, he said, and fled when they heard the shots.

"Gyp" used the questions of his attorney, told of being in Webber's poker room with Rose, Schepps, Vallon, Croft and a stranger man. The four gunmen left the poker room with the stranger, "Gyp" said, "Red Jack" Rose, who was going home and the other, including the stranger, walked to the Hotel Cadillac.

"We stood there by the Cadillac," the witness declared, "and the stranger man walked across Forty-third street. He approached the hotel and the other, including the stranger, walked to the Hotel Cadillac.

HEARD SHOT. "All of a sudden we heard a shot. We saw the stranger man shoot," said "Gyp."

"How many men did you see shooting?"

"Three, Harry Vallon, Bridge Webber and the stranger man."

"As soon as we saw them firing," continued "Gyp," "we ran for the subway. A train was just pulling in and we boarded it without paying fare. We rode to 14th street and Lenox avenue and went to our flat."

"Gyp" (Dago Frank) was then at the flat, the witness said. The witness denied that Rose had ever asked him and his companions to murder Rosenthal.

On cross-examination "Gyp" admitted that he had been convicted five times for murder and had served several terms in penal institutions.

"Gyp" detailed his movements with "Lefty" from the time of the flight the day after the murder until their arrest in September. Moss then read from stenographic notes taken at the headquarters the night of their arrest. There were several conflicts with today's testimony.

ADmits FALSEHOOD. "I lied at headquarters," admitted "Gyp." "I wanted my fate in the hands of the jury and an honorable judge, not with the police."

"Why did not you say then, if you knew it, that Vallon and Webber and the stranger man had killed Rosenthal?"

"I would have been a fool to tell it then," said "Gyp." "You did not want that, anyway. You offered me immunity if I'd accuse the others."

"That's not true," shouted Moss. The answer was stricken out.

THEVING BUSY. SAN FRANCISCO, Nov. 14.—A sneak thief obtained \$44 in valuables from the residence of Mrs. T. E. Foster, 331 Hayes street, yesterday afternoon. The home of A. B. Keyes, 369 Divisadero street, was entered by a burglar last night and \$44 taken.

HILL COMES HERE
IN AID OF HIGHWAY

President of the Sempervivens Club Champions Road Into Big Basin.

Andrew P. Hill, one of San Jose's best known citizens and president of the Sempervivens Club, which has been championing the project for a state highway into the Big Basin, is in Oakland in the interests of this project and to extend an invitation to legislators and business men generally to meet November 16 in the California Redwood park in the Santa Cruz mountains.

I hope that this meeting will enable the legislators of the Central California counties to so acquaint themselves with the project and the park that they will be able intelligently to act on all legislation submitted to them.

Herbert J. Jones, Knox block, San Jose, is the secretary of the Sempervivens Club of California, and the man to whom all should write or telephone who desire to make the trip. This is necessary in order that proper accommodations may be provided at Boulder Creek.

The regular train for Boulder Creek will leave San Jose at 10:30 a. m. on the afternoon of November 15, Saturday, at 4:50 from Third and Townsend. The visitors will stay all night at Boulder Creek and start at 6 o'clock in the morning for the famous China grade on the rim of the basin, where all of those who desire can travel on foot for three miles through the forest to the Governor's camp. Here they will find awaiting them a splendid barbecue prepared by the San Lorenzo Board of Trade.

The return trip will be made Sunday afternoon from Boulder Creek, arriving in San Francisco at 9 o'clock. The Oakland Chamber of Commerce is organizing a delegation which will make the trip.

EDUCATION TO GOVERNOR. Hill is circulating a petition to the Governor and state legislature calling upon them to open the beautiful state park before 1915 so that the visitors to the world's fair may be enabled to enjoy one of the most remarkable natural parks in the world. Ten thousand signatures have already been received and from 800 to 1000 more are being received every day at the headquarters of the Sempervivens Club in San Jose.

"This movement is approaching the dimensions of a veritable crusade," said Hill.

Blank petitions were left today by Hill in the business office of THE TRIBUNE, where they may be signed by all those interested in the movement.

The petitions read as follows: "To the Honorable Governor and Legislature of the State of California: "Your petitioners, citizens of California, respectfully represent:

"That the California Redwood park, embracing 8000 acres of virgin forest, lying within forty-five miles of San Francisco and being the only state park of California, is practically unknown and unexplored by and inaccessible to the people of California by reason of the fact that there is no highway connecting it directly with San Francisco and Oakland and other great centers of population of the state; and that it is an imperative necessity that such highway should be constructed by the state before 1915."

"Wherefore your petitioners respectfully pray for the appropriation from the state treasury by the legislature of 1915 of a sum sufficient for the construction of a scenic highway from the Saratoga summit to and within the California Redwood park to the end that said park may be made accessible to the people of California and the world during the Panama-Pacific Exposition in 1915, and forever thereafter and thus serve the ends for which it was designed by nature and law."

"And your petitioners will ever pray, etc."

**MESSENGER BOY TAKES
OVERDOSE OF MORPHINE**

Richard Andrews, a messenger boy employed by the Independent Messenger Company, died this afternoon from an overdose of morphine following his removal to the Receiving hospital. The youth was found in the room, where he was employed, at 10 o'clock this morning in an unconscious condition by other messengers. He was taken to the hospital, but the efforts of physicians were unavailing in saving his life. It is said that the youth's parents reside in the East.

**DECLARES SHE WAS
GIVEN WORTHLESS DEED**

Declaring that she had been given a worthless deed to property in Michigan for a \$3000 library, Mrs. C. H. Hutchings of 1133 Bishop street, Alameda, complained to Deputy District Attorney W. B. Smith, Mrs. Hutchings said that the deed had been handled by Rev. W. A. Wilson of San Jose who was engaged in the real estate business. After her books had been carted away Mrs. Hutchings learned from an eastern abstract company that the deed was worthless and now she wants her books back. It is believed that a settlement will be made which will be satisfactory to all concerned. It is said that the deed was not known to be valueless by the Rev. Wilson.

**KNIGHTS PAY TRIBUTE
TO HERBERT J. QUINN**

At the installation of officers of the Knights of Columbus, Oakland Council No. 749, last night, a beautiful silver tea and coffee service was presented to retiring Grand Knight Herbert J. Quinn, who spoke in appreciation of Quinn's valuable services to the council. The retiring grand knight responded in an impromptu speech that won the applause of the entire council.

**TO LECTURE IN
SCHOOL HOUSES**

Two popular Friday evening school lectures will be given tomorrow evening, November 15, at 8:15 o'clock.

At the Durant school, Twenty-eighth and West streets, Rev. Albert W. Palmer will lecture on "Life in the High Sierras." Rev. Palmer will give some of his personal experiences in a high school in the region of Mt. Whitney, also in the region of Tuolumne meadows. Many of the views to be shown are pictures taken by Rev. Palmer and are pictures that cannot be seen elsewhere.

Miss Annie Florence Brown will lecture at the Fremont high school, Forty-seventh avenue and Potrero boulevard, on the "Passion Play" as she saw it presented at Oberammergau in 1910. Miss Brown will show pictures that she gathered while in Europe.

Sacred solos will be given by Miss Culver. Musical selections will be rendered by the orchestra and girls' glee club of the Fremont high school. These lectures are intended for adults.

**PIANO RECITAL TO
ATTRACT BIG CROWD**

Much interest is being taken by the musical colony in the piano recital which will be given this evening by Miss Marie Sloan, who is said by those who have heard her to possess remarkable talent and to play with superb technique and musical understanding. Miss Sloan has just recently returned from Germany, where she was accorded the highest praise by the critics and won what was in the nature of a signal triumph for American musicianship. She will be assisted by Miss Roy Del Valle, vocalist, and Sam Kippel, violinist.

**BURNS AIR LANES IN
THE DOWN MISSOURI**

WATFORD, Mo., Nov. 14.—Tony Janusz, who is attempting to fly from Omaha to New Orleans by technique and speed after leaving here over night, continued his flight along the Missouri river today, starting from here at 8:30 o'clock. He is now in Kansas City, Mo., after having flown 135 miles in 47 minutes. Twenty minutes after leaving here Janusz was passing near the mouth of the Missouri river, having flown 100 miles down the river. His speed was 150 miles an hour.

SHARKS START FLY. SAN FRANCISCO, Nov. 14.—Speakers of the San Francisco Chamber of Commerce will be in the city today to discuss the proposed shark fishing industry. The sharks are said to be abundant in the bay and the fishermen are said to be catching them in large numbers.

**DAVID WHITE NAMED
U. S. CHIEF GEOLOGIST**

WASHINGTON, Nov. 14.—Secretary of the Interior Philip C. Barlow announced the appointment of David White as chief geologist of the United States geological survey. White is a geologist of the highest rank and has been in the service of the geological survey since his graduation at Cornell University in 1884.

PALL BEARERS FOR
KNOWLAND CHOSEN

Men Who Will Have Part in the Funeral of Pioneer Business Man.

ALAMEDA, Nov. 14.—The following pallbearers will officiate at the Joseph Knowland funeral tomorrow afternoon. D. L. Randolph, James Cuzner, E. C. Hutchinson, John E. Baker of the Alameda Bank, C. C. Stevenson and Harry Strachan.

Congressman Joseph R. Knowland is reported quite seriously ill this afternoon following his strenuous congressional campaign and the death of his father. There is some doubt whether or not he can attend the funeral of his parent.

BELIEVES SCHRANK
TO BE DANGEROUS

Alienist Declares That T. R.'s Assailant Believes He Is Political Physician.

MILWAUKEE, Nov. 14.—One of the alienists who is examining John Schrank, confessed assailant of Theodore Roosevelt, said privately today that Schrank shows evidences that he considers himself a deep student of psychology; that he thinks he is capable of adjusting any wrong, and that he thinks he is peculiarly fitted to judge of the psychological merit of a question affecting the public.

Hence, the alienist said, Schrank might again come to believe in the use of force to correct political ills, and therefore might be dangerous to human life. If the alienist report Saturday, Judge Backus expects to get Monday as the date of the disposition of Schrank.

**OAKLAND CLERK HELD
ON CHARGE OF GIRL**

"I'd rather go to the penitentiary than marry you," declared Thomas H. Johnson, a clerk, when Miss Margaret Casey, 316 Oakland avenue, asked him to make good his promise to marry her. Johnson was held to answer before Judge Mortimer Smith this morning on a felony charge of seduction under promise of marriage, and may fulfill the alternative for which he stated his preference. Bonds were fixed in the sum of \$5000.

Miss Casey was held to answer for the attempt made to have Johnson carry out his promise.

"I'm going to marry another woman, and then they can't force me to marry you," Johnson is alleged to have told the 18-year-old girl whose trust he is accused of having betrayed.

On the day following the interview with Miss Casey at which he made this threat Johnson went to San Rafael and married Miss Rose Silva. He was arrested on Miss Casey's charge of felony several days later.

Miss Casey is 18 years of age and was formerly employed in an Oakland department store. She met Johnson last April and he is alleged to have made ardent love to her and to have asked her to marry him. She expects to become an actress within a short time. It developed during the hearing that Johnson was divorced from a former wife and had told Miss Casey that he could not marry her until the final decree was granted.

**DECLARES SHE WAS
GIVEN WORTHLESS DEED**

Declaring that she had been given a worthless deed to property in Michigan for a \$3000 library, Mrs. C. H. Hutchings of 1133 Bishop street, Alameda, complained to Deputy District Attorney W. B. White is a geologist of the highest rank and has been in the service of the geological survey since his graduation at Cornell University in 1884.

HAYWARD FLYERS
TO START TODAY

Extra Street Cars to Be Put in Operation During Rush Hours.

HAYWARD, Nov. 14.—The chamber of commerce will see its request for better traveling facilities fulfilled today, when increased service will be given during the evening rush hours. Under the San Francisco-Oakland new schedule an additional Hayward flyer and four local cars will be placed in service, and cars will leave Twelfth and Broadway under an average headway of a minute and forty-five seconds between 4:37 p. m. and 8:10 p. m. for Elmhurst. San Leandro locals will leave every five minutes and Hayward every ten minutes.

The first Hayward limited will leave Oakland at 4:47 p. m. and others will follow every twenty minutes until 5:57 p. m. These through trains will make the run from Oakland to Hayward in forty-five minutes, compared with the hour taken by local cars. These cars will not pick up or unload passengers until they reach the city limits at Stanley road. Passengers will be picked up from the Key system and Southern Pacific San Francisco trains at the Melrose station. In the morning rush hours six floors will be run between the two cities as in the past.

The traffic congestion in East Fourteenth street will soon be relieved, for an additional 25 men have been put to work in the construction work, which is being rushed on the new Sixteenth-street line, making a squad of 150.

**PROPOSED SALARY
REDUCTION FOUGHT**

City Commission Gives Hearing to Electrical Workers' Representative.

Hearing was given representatives of the electrical workers this morning by the city council in the matter of reducing the salaries of city electrical inspectors. An ordinance is up for final passage reorganizing the electrical department, and changing certain salaries in conformity with the civil service board. After hearing a protest against the ordinance the matter was deferred for discussion to next Tuesday.

C. T. Brown, representing Local Union No. 333, outside electrical workers, and B. P. Gale, representing Local Union No. 355, inside electrical workers, appeared before the council in the interests of the electrical inspectors.

"The men are skilled workmen," declared Gale, "and they do work for the city for which they would receive at least \$150 when employed by the corporations or private individuals."

SURPRISED AT LAW. "I was surprised to learn that an ordinance had been brought in reducing the salaries of the municipal electrical inspectors \$25 per month. These men must know more than the journeyman workers, and yet you wish to pay them less."

"It is unquestionable that a reduction in salaries in the city electrical department will mean that the efficiency of the department will be reduced materially."

R. P. Gale took up the same points. Gale stated that if the reduction was put into effect many men employed in the department would quit and their places would have to be filled by inferior workmen.

J. L. Cook, a member of the electrical department of the city, spoke at length concerning the arduous duties of the city electrical inspectors, and the high qualifications required for the work. He opposed any reduction in compensation.

**KNIGHTS PAY TRIBUTE
TO HERBERT J. QUINN**

At the installation of officers of the Knights of Columbus, Oakland Council No. 749, last night, a beautiful silver tea and coffee service was presented to retiring Grand Knight Herbert J. SUBSTITUTED BABY
TIES UP FORTUNE

Skins of International Mystery Is Unraveled by the Officials.

SAN FRANCISCO, Nov. 14.—The skins of an international mystery surrounding a babe, by which an English nobleman and his wife hoped to inherit an earldom and millions, are being unraveled by the state board of health, aided by lawyers, detectives and the British foreign consulate.

The story deals with the effort of Lieutenant Charles Henry Raymond Slingsby of the British navy and his wife, Dorothy Morgan-Cutler-Slingsby, to conceal the fact of the death of their own baby boy by the secret adoption of the illegitimate child of Lillian Anderson, a high school student of Geyserville, Sonoma county.

That this really was done has been apparently established by Andrew Thorne, a local lawyer retained by Earl Robert Slingsby, of Brighton, England. Thorne is armed with affidavits by the nurse who attended the birth of the genuine Slingsby baby in San Francisco. The baby lived but a few hours, the nurse stating that the Anderson baby was brought to the Slingsby home in answer to an advertisement in the paper asking for a baby for adoption. Thorne has copies of the original copy for the want ad, and the writing is said to be that of Mrs. Slingsby.

OFFICIALLY RECOGNIZED. The board of health has officially recognized the baby as that of Lillian Anderson and has ordered the birth certificate at Sacramento changed. Until November 3, this year, the birth certificate read:

Charles Eugene Edward Slingsby, born September 1, 1910, at 1523 McAllister street, son of Charles Henry Raymond Slingsby, retired, of England, age 36, and Dorothy Morgan-Cutler of Kentucky.

But on November 3 Secretary W. F. Snow of the state board of health ordered the change made, and in large red letters the certificate has been altered to read as follows:

"Anderson," born September 10, 1910, at 960 Grant avenue, son of Paul Colvin, chauffeur,

1000

[illegible]

Ayer's Hair Vigor is composed of sulphur, glycerin, quinin, sodium chlorid, capsicum, sage, alcohol, water, perfume. Not a single injurious ingredient in this list. Ask your doctor if this is not so. A hair tonic. A hair dressing. Promptly checks falling hair. Completely destroys all dandruff. Does not color the hair.

J. C. Ayer & Co., Lowell, Mass.

stadler, Mrs. Ray Clanton, Annie, Sadie, Henrietta and Jeanette Neustadler.

Progressive Dentist

There are "regular" dentists and there are progressive dentists. The "regular" dentists go to the old school which believes that the antiquated methods of the past are good enough for the people of today. He sticks in the same old rut, year in and year out. He is a "stand-patter" in the full sense of the term.

The progressive dentist has broken away from the ranks of the orthodox. He believes in going forward, not standing still. He rejects only the bad—the impractical. Any new method or discovery that proves meritorious is welcomed by him and quickly adopted. He recognizes the fact that all good things must have publicity if the people are to benefit by them. Therefore he believes in advertising.

I have found a truly remarkable way of eliminating pain in all dental operations. My discovery is the utmost importance to every person who has teeth. Why, then, should I not tell the public about it? If I did not advertise you might never know that dentistry has been made absolutely painless. In that case, you see, both of us would lose.

My discovery is the only safe and effective means of preventing pain known to dental science. It enables me to prepare and fill sensitive teeth, grind down teeth for crowning, straighten crooked teeth, treat pyorrhea, extract broken and decayed teeth and remove live nerves without causing the least bit of discomfort.

I do not put my patients under the influence of gas nor any dangerous drug. Therefore the patient is able to talk and reason during the operation. It is perfectly harmless in every case.

Every man and woman who has lost some teeth should investigate my Rex Alveolar System of Dentistry, which does away with partial plates and bridge-work.

Rex Alveolar teeth are put in the jaws to stay and they can't fall out or work loose. They look so much like real teeth and feel so comfortable that the wearer is seldom able to distinguish them from his own teeth.

If you are weary wearing a partial plate or a bridge, come to me and get rid of it. Think how nice it will be, after you are equipped with Rex Alveolar teeth, to sit down at the table and enjoy a hearty meal without having to worry about your teeth all the time you are eating.

It does not take very long to install Rex Alveolar teeth and the cost is small in comparison with the amount of pleasure and service they afford. Terrific pain has been removed from the mouth, so there is nothing at all to fear.

Wouldn't you like to tell your more about my method. Call and see me right away. I'll be glad to examine your teeth, free of charge, and estimate the cost of any dental work you may decide to let me do. Consultation free.

Hours: 8:30 to 5:30; Sundays, 10 to 12.

Those who cannot call should write for the free book explaining my Terysthesia and Alveolar methods.

THEFT CHARGED TO STATELY BEAUTY

Former Fiance Says That She Used His Money for Own Use.

SAN FRANCISCO, Nov. 14.—Libbie E. Hange, a full-statured brunette, with flashing eyes, becomingly attired in a tailor-made gown, was placed on trial in Superior Judge Cabanis' court this morning, charged with grand larceny for the alleged theft of the money to be used in purchasing furnishings for the home she was to occupy after marrying G. W. Fortier, a young business man.

Fortier had been paying Miss Hange a great many attentions for several years and finally she consented to wed him, he declared. He gave her odd sums and finally handed over \$500 to be used to purchase furniture for the flat they were to occupy after the ceremony.

It was on August 15, and immediately thereafter Fortier swore out a warrant for the woman's arrest, claiming that she declines to accompany him to the altar and kept his coin.

LEGISLATORS TO MEET AT BOOSTERS' DINNER

A dinner under the auspices of the Oakland Chamber of Commerce will be given tomorrow night in the Avenue restaurant, corner of San Pablo avenue and Sixteenth street. Besides the members of the Oakland Chamber of Commerce, senators and members of the Legislature are invited. The purpose of the gathering is to have a good time and also to discuss local business affairs.

E. Gibson, Frank Leavitt and several others will speak.

FINDS WIFE GONE; ALSO A SMALL FORTUNE

Quintus H. Berrey Gets Divorce on Strength of His Claims.

From the gay life of Hawaiian beaches, swimming pools and society, California resorts and watering places, to common-place existence on a Virginia farm, was such a long step that Jennie H. Berrey, wife of Quintus H. Berrey, a wealthy merchant formerly of Hawaii but now living at 1517 Brown street, Oakland, refused to take it. When her husband called there over a year ago to settle his father's estate she would not accompany him. When he returned to 520 Hayes street, where Mrs. Berrey had been living with her maid, he found his wife had left.

Inquiry of the housekeeper elicited no substantial information. His next visit to his safe deposit boxes discovered that Mrs. Berrey had indeed gone. To the key of one of the boxes was tied a tag which informed the husband that if he desired to communicate with her he could do it through her lawyers. The valuable stocks, bonds and other securities left in the box were also missing.

Berrey learned from his wife's lawyers that she had gone to Alaska. That was the last he saw of her. Berrey has been granted an interlocutory decree of divorce on the grounds of willful desertion.

Relating a tale of continued estrangement between himself and his wife since their marriage in Honolulu in 1888, Berrey attributed his troubles to the fact that his wife cared more for her own pleasures than she did for him.

"It is the height of my ambition to see you without a dollar," she told her husband on one occasion when he had upbraided her for lavishing gifts upon soldier acquaintances in Hawaii and the Philippines.

That Mrs. Berrey had set about to accomplish the financial breaking of her husband was indicated from the fact that she continued her expensive gifts, sold out his mercantile business in this state while he was in Virginia and finally took what he had left when she departed, presumably for Alaska.

Berrey, who had an income of nearly \$1000 net per month during his residence in Hawaii, contributed everything he could to his wife's pleasure, he told the court. Mrs. Berrey had a maid, she attended all the theatrically, the beach and golf links. In this respect Berrey said that he had joined three golf clubs in the islands in order to assist his wife in forming her social set.

Teas, luncheons and elaborate dinners given for her army and navy associates kept things in one round of excitement for the household. When the friends left the islands, said Berrey, his wife did not forget them and continued to correspond with them.

In 1908 the Berreys came to California and spent their time at various hot springs. Berrey purchased a mercantile business of his own but when he went to Virginia in the summer of 1911 his wife disposed of it and took the \$250 that he said had been left in the till.

Previous to coming to the states, the Berreys toured the world for eleven months. Mrs. Berrey made several trips to California, accompanied by her maid during the years that they lived in the islands.

After coming here in 1909 Berrey first took employment with a large commercial agency but his health gave out and from that time on the couple traveled.

"My wife did not care to stay in any one place," he testified.

From California the couple went to Wyoming and Montana, where Berrey sought to benefit his health by hunting and fishing excursions. They lived on ranches and in hotels.

Later in Sierra Nevada he purchased a hotel but his wife's alleged intimacy with some forest rangers who stopped there drove away the guests, he said in his testimony, and he was forced to give up the business.

When his father died in Virginia in 1911 Berrey went back to settle up the estate. He asked his wife to accompany him but she refused and he left her in charge of his business together with her maid. When he got back he had neither business nor wife. The business had been disposed of and Mrs. Berrey had taken considerable money which were being handled by her attorneys.

"I wouldn't stay on a farm in Virginia if you would need me the whole state," Mrs. Berrey is said to have told her husband on the occasion of his asking her to follow him with the intention that she had departed. Later he found that she had taken employment as secretary in a savings bank. Finally he was told that she had gone to Alaska, sailing from Roger S. Kito's boat.

Roger S. Kito has obtained an interlocutory decree of divorce from Alice S. Kito because his wife objected to leaving Sacramento and her friends and living in Roseville and to later following her husband to Contra Costa county.

Alice L. Collins has filed suit for divorce against Edward J. Collins. Helen E. Cassel obtained an interlocutory decree from Jonathan Cassel on the grounds that he had refused to return to her early in the mornings to contribute to her support.

MISS ROSE GROESCH, WHO IS ONE OF THE PERFORMERS IN A VAUDEVILLE TO BE GIVEN AT PLYMOUTH CENTER

An entertainment will be given tonight at Plymouth Center by the Gamma Kappa Club, which will give a vaudeville for which it has been carefully preparing.

The following is the program:

Overture—Oakland High School Orchestra.
George Washington Rastus Sambo
White (of the Georgia Minstrels)
Malcolm Gilmore.
Maidens Forlorn (six noted stars direct from Broadway).
Maude Meredith.....Ida Wyllie
Elizabeth Lydon.....Laurel Kinard
Bertha Mandelstam.....Bernice Parker
Louise Wardale.....Lillian Hume
Mrs. Matlory, landlady of Shorely Cottage.....Lovah Kinard

Dr. Josselyn Denby.....Lee Groesch
Time—Present. Place—Shorely seaside village. Three acts—beginning 8:00 in Shorely Cottage.

Intermission—Orchestra Number.
Procession for sale by Stuart Gless.
First appearance in America of Russian Pianist, secured at tremendous cost to management, Madame Alabubbski, better known to Americans as Ethel John Doren.....Rapid fire comedian Sandford.

A laugh for every minute.
Hen Surizer Case and his famous dancers: Rose Groesch, Lovah Kinard, Bernice Parker, Lillian Hume, Vernon Hawley, Walter Hansen, Frank Bell and Thornton Hawley.
Finale by orchestra.

VAUDEVILLE TO BE GIVEN AT PLYMOUTH CENTER

MISS ROSE GROESCH, WHO IS ONE OF THE PERFORMERS IN A VAUDEVILLE TO BE GIVEN THIS EVENING.

PANAMA CANAL TOLLS FIXED BY THE PRESIDENT

Merchantmen and Naval Auxiliaries to Pay \$1.20 Net Ton

WASHINGTON, Nov. 14.—President Taft last night issued a proclamation fixing the rates for inter-oceanic shipping by way of the Panama canal. The proclamation, made under authority of the canal bill passed by Congress in August, establishes a merchant vessel rate of \$1.20 per net ton in actual carrying capacity, with a reduction of 40 per cent for ships in ballast.

The provisions of the proclamation are as follows:

1. On merchant vessels carrying passengers or cargo, \$1.20 per net ton—each 100 cubic feet of actual earning capacity.
2. On vessels in ballast, without passengers or cargo, 40 per cent less than the rate of toll for vessels with passengers or cargo.
3. Upon naval vessels, other than transports, colliers, hospital ships and supply ships, 50 cents per displacement ton.
4. Upon army and navy transports, colliers, hospital ships and supply ships, \$1.20 per net ton, the vessel to be measured by the same rules as are employed in determining the net tonnage of merchant vessels.

The secretary of war will prepare and prescribe such rules for the measurement of vessels and such regulations as may be necessary and proper to carry this proclamation into full force and effect.

COASTWISE SHIPPING EXEMPT.

American coastwise shipping was exempted from toll payment by Congress. It was to this provision of the act that the British protest against the toll to the protest was made in the President's proclamation. American naval vessels are exempted without specific mention either in the act of Congress or the proclamation, because the authorities believe it unnecessary to explain the uselessness of payment from its navy pocket department to the one belonging to the treasury department.

The rates named in the proclamation are practically the same as those which will be in force at the Suez canal next year.

The President based his declaration of rates upon the report and investigation of Professor Emory H. Johnson of the University of Pennsylvania, an expert designated by executive order for the task.

The report has been awaited with interest by shipping interests throughout the world.

According to Professor Johnson's report, the President based public last night, the Panama canal should be upon a non-discriminatory basis and should compete successfully with the Suez route for the traffic of Europe with South American west coast ports and with New Zealand, but cannot be expected to compete successfully for Europe's trade to the Far East.

Taking the estimates of the canal commission for expenses of operation and maintenance of the canal and for the improvement of the canal and for the cost of a decade, Professor Johnson figures that the rate per net ton can be reduced at the end of 10 years to 41 cents with this rate, which he probably will recommend, an expert designated by executive order for the task.

The report has been awaited with interest by shipping interests throughout the world.

The report has been awaited with interest by shipping interests throughout the world.

According to Professor Johnson's report, the President based public last night, the Panama canal should be upon a non-discriminatory basis and should compete successfully with the Suez route for the traffic of Europe with South American west coast ports and with New Zealand, but cannot be expected to compete successfully for Europe's trade to the Far East.

Taking the estimates of the canal commission for expenses of operation and maintenance of the canal and for the improvement of the canal and for the cost of a decade, Professor Johnson figures that the rate per net ton can be reduced at the end of 10 years to 41 cents with this rate, which he probably will recommend, an expert designated by executive order for the task.

CLEVER MILLERS IN THE WEST OAKLAND CONTESTS

Fahe Picato and 'Red' Watson Head Line of Fast Bouts for Wednesday Show.

Matchmaker Simpson of the West Oakland club has taken a good start in his new line of work and on next Wednesday evening, November 20, will present five high grade boxing contests for the fans who patronize the boxing bouts on this side of the bay.

As a headliner to the show he will have Fahe Picato and 'Red' Watson in a 10-round contest at the West Oakland Athletic Club. Picato scored a sensational win over Jeff Rogers last Friday night at Dreamland and 'Red' Watson outboxed Joe Savado the same night in the main event of the show.

Both showed much improvement in their work that night and should put up an interesting contest.

The first event of the show will bring Tony Freitas of Fruitvale and Eddie Miller of San Francisco together in a four-round contest. Following this will come a heavy-weight contest between the Duke of Alameda, Bert Souley, and Joe Galt, a husky butcher from the meat stalls of San Pablo.

LOUIS REES COMING BACK.
The first six-round bout of the evening will be between Jim Henry of San Francisco and Ray Campbell, two husky welterweights, and the semi-final will bring Louis Rees of Los Angeles and Kid Peppers of Kansas City together.

Rees is well known to the fans around the bay and for a time he was looked upon as a contender in the lightweight division. Unfortunately he was badly injured in training by inexperienced handlers and lost a tough contest to Tommy McFarland. Since that time he has been rustivating in Los Angeles and is now back to his old time form.

His opponent, Kid Peppers, is from Kansas City and brings newspaper clippings that show him to be a rough and ready fighter, just the kind that will make an interesting contest with boxers of the Rees type.

RUGGERS OF SOUTH NOT IN IT WITH WARATAHS

LOS ANGELES, Nov. 14.—The Australian Waratahs, who landed their advent into Southern California yesterday, by smothering the Rugby team of the University of Southern California under a mass of 41 points, while the local collegians were held scoreless.

The Waratahs presented a dazzling array of rapid and brilliant open play that completely outclassed the game of the local team and left the spectators in a quandary as to what was being done and what should have been done.

Open play was the salient feature of the Waratahs' work. The U. S. C. backs spent most of the afternoon tackling the wrong man, only to find the ball far down the field in a series of lightning quick passes.

The first score was made by the Australians ten minutes after the game started, and before the end of the first half they had crossed the U. S. C. line four times and kicked goal twice, score 16 to 0.

Manning of the U. S. C. ordered his men to play an open game also, but despite their best efforts they were completely outclassed.

Touchdowns and goals came thick and fast in the second half, and U. S. C. was swept completely off its feet.

CUE WIELDERS SHOW PLUMP IN TOURNEY
The two tournaments at the Oakland Billiard parlor are providing lots of entertainment for the patrons.

Plumb and Gregory, the new contestants for three cushion honors, are showing considerable skill and attract special attention. Plumb is an expert, and Gregory has displayed good skill and won all games to date.

Plumb shows class and an unusually fine style of execution. Plumb is making good as a scratch man, winning both games he has taken part in. Bert Jones appears to have retained his old form, playing like a champion now. McClellan secured his glory by defeating McClellan.

Handicap pool tournament with nine contestants is also under way. The strongest players in the city are entered and should provide some exciting contests. Those entered are: Plumb, Landis, Groves, Roberts, Brown, Dillon, Olson, Hoover and Lowder. Plumb defeated Brown in the opening contest and Landis won last night from Hoover.

YOUNGSTERS PLAN HIKE TO TOP OF TAMALPAIS
The Judsons, combined with the Judsons, will go on a hike to the top of Mount Tamalpais Sunday. This will be the first of a series of hikes which the young men of various organizations will make this winter.

Their leader will be Herman Landis, the well-known hiker. The boys will start at 9 o'clock and will be back at 4 o'clock.

SOME CROWD TO WITNESS PRINCETON-YALE GAME
PRINCETON, N. J., Nov. 14.—The Princeton football team announced today that it has been challenged to return home for a game with Yale on Saturday, November 24. Six hundred additional seats are being constructed, making the stadium seating capacity 20,000.

DOMESKEY WILL COMPROMISE.
Domeskey has given up hope of winning the baseball championship of California and is willing to compromise on the matter.

WILL'S MEDICAL OFFICE
Dr. Will's Medical Office, 1015 Broadway, Oakland, Cal. 1128 Broadway, Oakland, Cal.

TWO HEAVYWEIGHTS AND TWO LIGHTWEIGHTS. MORAN BOXES MILLER AND SALVADOR BOXES COHON AT DREAMLAND RINK TOMORROW EVENING. REES AND SEALEY TAKE PART IN THE WEST OAKLAND SHOW ON NOVEMBER 20.

OAKLAND HIGH WILL PICK RUGBY FIFTEEN TONIGHT

The Oakland High School Rugby team which will clash with Berkeley High in the nineteenth annual game next Saturday, will be chosen by Coach Churton this evening and probably several surprises will be sprung. Coach Boulware is also expected to pick the college team, which will oppose the high school team, which will be made up of the best players from the various colleges.

CLASSY MILLERS ARE SIGNED FOR SHOW FRIDAY NIGHT

SAN FRANCISCO, Nov. 14.—While the Wolgast-Ritchie fight is getting a lot of attention the fans are not overlooking the fact that Promoter Jack Lane of the University Motor Club has a classy card signed up for Dreamland Rink tomorrow night.

Headline of the show will be Charley Miller, the giant motorman and Frank Moran, the Pittsburgh Bear Cat in a four-round contest. To either one a victory means much.

Miller has not been seen in the ring since he fell before Jim Flynn at Colma but he is a great favorite with the fans and will have his roots galore at the ring.

Another bout which Promoter Lane has signed and which is attracting considerable interest is the affair between Grover Binkley, the Ukiah middleweight, and George Taber, the husky middleweight from Petaluma. In Binkley's only appearance here he made a record by knocking out his opponent in 20 seconds. Taber is a hard proposition.

Willie Robinson and Kid Peppers, who put up a slashing four-round battle some weeks ago, will meet again. This bout should be a whirlwind affair. The last time the boys hooked up they had the fans on their feet for the four rounds. The battle was declared a draw.

In all there are eight bouts on the University Motor Club's card and Promoter Lane appears to have picked the cream of the four-round performers.

O'NEIL DID NOT TIE A CAN TO HIS STAFF OF UMPIRES

MILWAUKEE, Nov. 14.—Announcement that all the umpires in the Western League had been released later was recalled today by President O'Neill. He said he had allowed the report to stand "just to see what would happen," and to "put up a little interest in the league."

All his staff of umpires, he said, still were on his reserve list and would remain there until he had talked with the owners of the different clubs to learn their wishes.

Wm. L. Cook, who was postmaster at New Orleans, was killed by a train on the New Orleans and Mobile road. He was 65 years old and had been postmaster for 20 years.

Harpy Hoser is not letting the grass grow under his feet. He has been away from the field for some time, but he is getting back now.

SPORTING EDITOR TO SPEND WINTER IN HONOLULU

Herbert G. Lowry, who succeeded the late Eddie Smith as sporting editor of THE OAKLAND TRIBUNE when the latter died, will retire from THE TRIBUNE on the first of December.

It is Lowry's intention to visit San Diego for a few days and to then sail for Honolulu, at which place he will spend his vacation.

Whether or not this was a good bet remains to be seen, but this much is certain, the man that lays a wager on either man is going to have a merry run for his money for the bout will be a Jim-dandy one.

Of course each is confident that he will be the winner and so are the followers of each and there are many arguments as to why Willie should romp with the verdict and just as many to show why Adolph should romp as the winner.

Willie will step into the ring with a world of experience and Willie will climb through the ropes bubbling over with confidence. That four-round bout that Willie stepped with the champion last May gives him that confidence, for Willie figured that he beat Wolgast and easily won the title.

On that occasion Willie staggered the champion several times with crushing right-hand blows to the jaw and in the second round Wolgast was in dire distress.

Yet one must not overlook the fact that Wolgast hit Willie a couple of times that sent Willie to the floor and brought the gaze to his eye, and again it must not be overlooked that Wolgast was a small man when he took that whirl at Coffey's eighth street arena with the California boy.

To pick the best man in the bout with Mandot, Wolgast or Ritchie, Willie was by far the best. The reports of the Wolgast-Mandot fight gave the fans a good idea of what Willie was capable of.

As to the little champion, he is in Los Angeles and may stay there a few days longer as he likes it in the land of lemons. When he does come north Wolgast will be a big draw.

Let the making of the 123 pounds inside will affect Ritchie concerning the Californian but little for he says that the matter will easy for him. When Coffey made mention of the fact that Wolgast wanted 123 pounds ringside Willie

surprised all hands present by agreeing to that proposition.

Neither did Willie say a word about the money end of the bout. He gave his figures to Coffey and let it go as that. Even when he knew that Wolgast was to get three or more times as much.

Willie has been dead set on getting this one crack at the little champion and it is doubtful if he would have said a word if the weight had been less and the money end as big.

It is Willie's golden opportunity. He wants the title and it is up to him to make good.

WILL BEGIN TRAINING TODAY.
Late this afternoon or bright and early tomorrow morning will find both contestants hard at the grind of training.

Willie Ritchie will go to his old training place, the gymnasium of the San Rafael Hotel, while Wolgast will hold forth at the ocean beach at all resorts there.

Willie hasn't yet picked his training camp squad but it is reported that Ben Smith will have charge of the camp and that Willie Clark and Dick Wayne will spar with him.

It might be that Hobo Dougherty will be prevailed on to join the camp but he is with Mandot at present and may not care to switch. Hobo was a right hand to Wolgast from the time Ad was a pork and heener up to a few weeks ago and then the two had a falling out over money matters and Hobo was fired or quit, have it which ever way you want.

WOLGAST AND RITCHIE ARE WELL PLEASED WITH TERMS

Both Boys Will Begin Active Training for Contest on Thanksgiving Day Either Today or Tomorrow

By BERT LOWRY.

That Willie Ritchie-Ad Wolgast scrap which Jimmy Coffey is to stage at Daly City on Thanksgiving Day is the one topic of conversation around the places where the fight fans gather to discuss affairs in the world of sports.

Naturally each fighter has his supporter and here and there several small wagers were made on the outcome of the mill. One loyal Oakland fan bet \$65 against \$100 that Wolgast would be returned a winner via the knockout route with the twenty rounds.

Whether or not this was a good bet remains to be seen, but this much is certain, the man that lays a wager on either man is going to have a merry run for his money for the bout will be a Jim-dandy one.

Of course each is confident that he will be the winner and so are the followers of each and there are many arguments as to why Willie should romp with the verdict and just as many to show why Adolph should romp as the winner.

"Open House" Saturday, from 8 A. M. to 10 P. M.

CHEER UP! IF HEADACHY, BILIOUS; CONSTIPATED; CASCARETS TONIGHT

No odds how bad your liver, stomach or bowels; how much your head aches, how miserable and uncomfortable you are from constipation, indigestion, biliousness and sluggish intestines—you always get the desired results with Cascarets.

They end the headache, biliousness, dizziness, nervousness, sick, sour, gassy stomach. They cleanse your Liver and Bowels of all the sour bile, foul gases and constipated matter which is producing the misery. A Cascaret tonight will straighten you out by morning—a 10-cent box from your druggist will keep your head clear, stomach sweet, liver and bowels regular and make you feel cheerful and bully for months.

10 Cents. Never gripe or sicken.

"CASCARETS WORK WHILE YOU SLEEP."

RELEASED CONVICT IN NEED OF HELP

Prison Committee Believes
Supervision Should Go
With Freedom.

BALTIMORE, Nov. 14.—The report of the committee on discharged prisoners, read at Wednesday's session of the American Prison Congress, said that official supervision of released prisoners is important.

It also declared that it is extravagant for the State to expend a considerable amount of money in the care and training of the prisoner during imprisonment, and after release the State expends little or no money on the period of parole or rehabilitation of the prisoner. The principle of parole is accepted in the report as commensurate.

The problem of prevention and probation was dealt with in a report from a special committee.

Alcoholism and tuberculosis, associated with poverty, the committee regarded as the most potent influence in producing mental defectiveness. The committee urged the diffusion of knowledge concerning these diseases among the masses.

DOING THEIR DUTY

Scores of Oakland Readers Are
Learning the Duty of the
Kidneys.

To filter the blood is the kidneys' duty. When they fail to do this the kidneys are weak.

Backache and other kidney ills may follow.

Help the kidneys do their work. Use Doan's Kidney Pills—the test of kidney remedy.

Oakland people endorse their worth.

Mr. Mary C. Church, 1168 Jones Avenue, Elmhurst, Oakland, Cal., says: "My back ached and my kidneys were weak. I bought Doan's Kidney Pills and feeling that they were recommended for these complaints, I tried them. I found prompt and positive relief and have had no signs of kidney complaint since. I know of other people who have had good results from Doan's Kidney Pills."

For sale by all dealers. Price 50 cents. Doan's Kidney Pills, Co., Buffalo, New York, sole agents for the United States.

ELOPEMENT HAS HAPPY ENDING

Brought up by the Juvenile Court
Arrest of Groom Come
Before Joy.

LOS ANGELES, Nov. 14.—An elopement which hastened the death of the young bride's mother and caused her father to have her young husband arrested, has ended in the couple receiving the official well wishes of Judge Wilbur of the Juvenile Court.

Upon learning a fortnight ago that her daughter had eloped with a married man, Stanley P. Rogers, a marine engineer, Mrs. J. B. Ward, already ill, became worse and died.

The girl's father then, asserting the daughter was not 18 years old, caused Rogers' arrest and the matter was brought up in the Juvenile Court.

Ward testified he had been told Rogers already had a wife in San Francisco.

Rogers denied that allegation on the stand and his bride testified that her father did not know her age, which she knew was 19 because her mother had told her so on her last birthday in January.

Judge Wilbur was satisfied that the young couple were telling the truth and discharged them with his blessing.

The girl's father and her husband then shook hands and the trio left the courtroom apparently happy.

COLUMBUS KNIGHTS INSTALL OFFICERS

The newly elected officers of Oakland Council No. 54, Knights of Columbus, were installed last night at the lodge rooms at Tenth and Oak streets. District State Deputy Vincent A. Doherty was the installing officer, assisted by Grand Knights Elmer Dyer of Alameda, G. M. Kennedy of Berkeley and Frank Mitchell of Hayward.

The following were the officials installed: Grand Knight, Matthew R. Stronker; deputy grand knight, Joseph A. Kennedy; chancellor, William J. Hayes; financial secretary, John J. Penn; treasurer, Daniel J. Kennedy; recorder, Joseph P. Kennedy; wardens, John J. Kennedy, Edward W. Kieferdorff, advocate, J. J. Robinson; chaplain, Rev. P. J. Quinn; lodge guard, Daniel J. Kennedy.

KILLED NOV. 13 BY CAR 1813. HARTFORD, Conn., Nov. 14.—Yesterday, the 13th day of the month, James Roe, 31 years old and who lived at 100 North Main street, was instantly killed by a trolley car. The number of the car is 1313.

CLOSED SALOONS. LOS ANGELES, Nov. 14.—With the fall and winter holidays making an effort to preserve peace in the streets, the city fathers have closed all saloons and taverns for the remainder of the year.

BLAMES HOME FOR MUCH OF CRIME

Probation Officer Declares the
Lack of Training Is
Often Cause.

"We can stand a great deal more precept and example in honesty and common sense in our homes, and if a home can't give it, we can stand a great deal more emphasis on it in the schools," Judge J. B. Ward said today when he was asked for his opinion on the cause of crime and the role of the home.

The young man who commits burglary or larceny, or grand larceny, is very apt to tell the probation officer at first that he needed the money. When we examine more closely we find that his home and school and other moral education has not impressed it upon him to place necessities before luxuries, and that if he had not spent his money on drinking and gambling and various excesses, he would have had enough for all honest purposes. Frequently the money obtained by crime is used for more drinking or gambling. The young man is going the pace and he snatches at easy money to keep it up.

There may be a great deal wrong with economic conditions. Undoubtedly there is. All parties can themselves progressive nowadays and all aim to better these conditions. But we cannot by legislation alone make people do right. Is it not because our fathers and mothers are having automobiles and other luxuries when they have not paid their ordinary bills for necessities? Is it not because this spirit of putting luxuries first is spreading that the young men take after their parents and the sentiment about them, and put a good time, often of the worse sort, ahead of common honesty and duty? My investigation of about 100 applications for probation for felonies, from young men mostly, in the last year, leads me to believe that this must be true.

HEAD BRAKEMAN ADMITS BLAME

Trainman Refutes His Earlier
Statement Regarding the
Indiana Wreck.

INDIANAPOLIS, Nov. 14.—No more words had been found today in the wreck of the Cincinnati Hamilton and Dayton Railroad, which took fifteen lives and severely injured other persons. With two exceptions the injured are doing well. Carl Gross, the head brakeman of the freight train, today refuted his denial of blame. Yesterday Gross admitted that he was to blame for leaving the switch open, thus permitting the passenger train, running 40 miles an hour, to make up steam and crash into the freight train on the siding.

The head brakeman, in refuting his earlier statement, said he was partly under the influence of an anesthetic and suffering so much from his broken leg that he did not realize what he was saying. He is still at the hospital.

INDEPENDENTS TO CUT RATES

Non-Board Insurance Companies
Offer Oakland 20
Per Cent Reduction.

Independent insurance companies operating under the non-board system are intent upon starting an insurance rate war in Oakland, and have already succeeded in interesting the Merchants' Exchange in a proposal to institute a twenty per cent cut.

The situation was precipitated through a letter to the Merchants' Exchange from an agent representing several non-board companies who offered a reduction of twenty per cent on any rate now quoted by any firm affiliated with the Board of Underwriters.

In order to investigate the standing of the independent companies and to properly present the matter to the Board of Underwriters, the insurance committee of the Exchange was re-informed by the appointment of two additional members, W. E. Gibson and E. A. Young.

Other companies were appointed to take up with the Mayor and council the matter of a \$6000 comfort station in the City Hall plaza, and to investigate the condition of the western waterfront development.

THIS COMPANY BETS YOU WON'T BE HELD UP

KANSAS CITY, Nov. 14.—The hold-up industry has at last gained official recognition as a quotable risk on the insurance exchange.

Baird & Huxell, insurance agents, received word yesterday that the Prudential Casualty Company is willing to help you \$250 to \$2500 that you won't meet a highwayman for one year. If you do and lose any valuables in the encounter, you take the pot.

The highway robbery policy, however, is written only in connection with a regular burglary policy, but it protects every member of the family more than 18 years old.

DELEGATES OF GRANGE BUST AT SPOKANE

SPOKANE, Nov. 14.—The delegates to the 46th annual convocation of the National Grange, settled down today to the discussion of the proposed new regulation of railroads and express companies, and to the discussion of the proposed new regulation of the National Grange.

CUTTER HAS AN EXCITING TIME

The New Guardian of Shipping
Begins Career in Active
Manner.

WASHINGTON, Nov. 14.—The new revenue cutter Miami began her career as a guardian of the shipping of the Atlantic coast with two exciting experiences on her maiden voyage from Newport News, Va., to Key West, Fla., her station, where she has just arrived.

At two miles out, off the Charleston Lightship, according to a report received today by Captain Pemberton, commandant of the service, from Captain Gamble of the new cutter, the Miami sighted the schooner Blanche H. King of New York, flying a signal of distress. The schooner was boarded and her captain reported incipient mutiny among his crew. The mutiny was placed in iron.

Following this, the Miami discovered the three-masted schooner H. S. M. Denny of New York, engaged and with her cargo of lumber nearly all adrift. The master, his wife and three children were taken aboard the Miami, the remainder of the crew provided for and the vessel taken to Key West.

Miami is the first ship of the "Indiana" class, which was intercepted at Port Said on her maiden voyage around the world, and ordered to assist in protecting American life and property in Turkey if necessary.

JUDGE TO RECEIVE CHIVALRY DEGREE

F. B. Ogden Will Be Honored
by Order of Odd
Fellows.

The degree of chivalry, the highest honor within the gift of the order of Odd Fellows, will be conferred upon Judge Frank B. Ogden of this city on December 4. The affair will take place at the Scottish Rite Cathedral on Madison street, and will be attended by the members of the order on this side of the bay, and by the grand officers from all parts of the State. The degree will be conferred by Brigade General J. K. Ritter, who recommended Judge Ogden for the honor at the last meeting of the Sovereign Council at Winnipeg, Canada. General Ritter will be assisted in conferring the degree by the Oakland and Berkeley cantons.

COMING RECITAL STIRS INTEREST

Frank Moss, Pianist, and Geo.
Bowden, Tenor, to
Appear Here.

Frank Moss, head of the piano department of the California Conservatory of Music, and George Bowden, late tenor of Westminster Cathedral, London, will give a joint recital in Ebell Hall, Oakland, Thursday evening, November 21.

These artists gave a recital in Scottish Rite Hall, San Francisco, last week, and were received with enthusiasm. The fact that these gentlemen are artists of the highest class is shown by the following from a San Francisco paper:

"At the Thursday evening concert Mr. Bowden delighted the audience that thronged the big auditorium, for he has a voice of great beauty and he sings with cultured musicianship, such as only a few of the best vocalists attain."

Another proof of Mr. Bowden's high standing is the fact that he has been chosen as the soloist for the Orpheus Club concert, which is to be given at the Liberty theater on the 20th of this month.

Mr. Moss has received very favorable criticism from all the San Francisco papers.

FRUIT GROWERS TO DISCUSS STORAGE

Railroad Head Declares It an
Impossibility to Transport
Products.

SPOKANE, Wash., Nov. 14.—Fruit growers here in discussion with the National Apple Show, gave a communication from Howard Elliott of St. Paul, president of the Northern Pacific Railway, today, in which he urged that since it has been proved to be a physical impossibility for railroads to transport fruit to market within a few weeks after harvest, the problem of storage and how to make profitable use of products such as fruit as would not stand shipping.

A school conducted by experts to teach up-to-date methods of fruit packing is a feature of the show.

LAFREZ MUST BE TRIED FOR MURDER

SAN JOSE, Nov. 14.—Henry Lafrenz's last hope of avoiding trial in the superior court on a charge of having murdered Oscar A. Withers, cattleman, in the 20th Hamlet range, two years ago, was blasted yesterday, when Judge J. Richardson's motion to set aside the information filed by the district attorney.

The case was then set down for trial on January 20, Richardson asking for time in which to locate a witness who is out of the State at the present time.

Lafrenz's counsel contended that the evidence at the preliminary hearing in the justice court was insufficient to hold him to answer, but it did not show that a crime had been committed and that as a matter of fact the evidence showed that the rancher did not kill Withers with a few shots, as charged, but that he was killed by a bullet fired from a rifle.

At the time of the hearing, Richardson's motion to set aside the information was granted, but it did not show that a crime had been committed and that as a matter of fact the evidence showed that the rancher did not kill Withers with a few shots, as charged, but that he was killed by a bullet fired from a rifle.

RELIGIOUS NEEDS TO BE DISCUSSED

Home Missions' Week Will Be
Held Here Nov. 17 to
Nov. 24.

Home Missions Week will be observed in Oakland November 17 to November 24. It is planned that religious and moral needs be discussed every day in all the churches. Special literature has been prepared and conferences and meetings will be called.

The gathering of the vast mass of information, which is disseminated in this educational and inspirational campaign required months of effort, and was obtained at first hand by teams of experts in one of the most thorough sociological studies ever made in America. Each team crossed the continent and studied the needs of every sort of community which it met in its journey.

The program for the week as it will be observed in Oakland is as follows.

On Monday evening a Congregational Fellowship Rally will be held in the First Congregational Church, Twelfth and Clay streets. Several Congregational churches have called new ministers in the last year. These new comers will give short addresses and special music will be rendered.

On Wednesday evening a meeting of all the churches in the downtown district will be held in the same church. The speakers will be Rev. Alexander Allen of St. Paul's Episcopal Church, Rev. Harvey Leach of the English Lutheran Church, and Rev. G. W. White of the First Methodist Church. Rev. F. L. Goodspeed will preside.

On Thursday evening a mass meeting of all the churches will also be held in the First Congregational Church. Bishop W. F. Nichols and Rev. S. D. Huston are to be the speakers at this gathering.

Invest Your Money

where it will be absolutely safe, earn a good rate of interest, and be available any day you need it. Very few investments meet all these conditions. A Savings Account with this Bank does, however, and you can invest

NON-SUIT IN THE CASE OF WILSON

CHICAGO, Nov. 14.—States Attorney Wayman today non-suited the case against State Representative Robert E. Wilson of Chicago, whose trial on a charge of perjury was to have begun today. This case was said to be the last of the criminal matters growing out of the election to the United States Senate of William L. Dickson.

DRIVER IS INJURED

SAN FRANCISCO, Nov. 14.—Joseph Schmidt, a milk wagon driver, was thrown from his seat when his horse ran away at Twenty-eighth and Noe streets this morning, dragged for a considerable distance and painfully hurt. He received numerous lacerations of the face, head and body and was treated at the Central Emergency hospital.
